Office of Housing and Residence Life
2014-2015 Residential Living License Agreement

The undersigned student ("Student") and Alliant International University ("University"), its successors and assigns, enter into this Residential Living License Agreement ("License Agreement") upon the following terms and conditions:

RESERVATION PROCEDURES AND RESIDENCE ASSIGNMENTS
This License Agreement is effective only after the Student and/or his/her legal guardian has:
1. Submitted a fully completed and signed License Agreement; and
2. Submitted a one-time, refundable $265 room reservation deposit to the Office of Housing and Residence Life, which is required of all students applying for University housing. Should the Student decide not to reside on-campus, the room reservation deposit will be refunded if the Student provides written notice to the Office of Housing and Residence Life at least 30 days prior to the scheduled semester check-in date. If written notice is not provided within 30 days of the check-in date, the room reservation will be non-refundable. Once the student checks-in, this room reservation deposit converts to a security deposit and is refundable at the time of check-out, provided that there is no damage to the housing unit, no breach of the license agreement, and no balance due on the Student’s account with the University.

Graduating students have until 12:00 p.m. the day following commencement to vacate their rooms according to the following schedule:
1. Fall 2014: December 15, 2014

Any student who requires housing after these dates ("Housing Exception") is responsible for payment for those additional days for room and board. See "Housing Exception Circumstances" under the Schedule of Room and Board Fees of this License Agreement.

The Housing Selection Process for Returning Students for the upcoming academic year will take place during Spring Semester. Students are advised to stop by the housing office to sign up for their room option no later than the first week of April. Room assignments are not guaranteed and are subject to change at the discretion of the Office of Housing and Residence Life, based on room availability and University needs. Specific information on room selection can be obtained from the Office of Housing and Residence Life.

RESIDENT RULES & REGULATIONS
The Student agrees to comply with all federal laws and comply with the Alliant International University 2014-2015 Housing policies, which are located in the housing office and incorporated by reference into this License Agreement. The University reserves the right to revoke the License Agreement of any student whose conduct has been deemed unsatisfactory for community living by the University Administration, as determined in its sole discretion. University policies and regulations, including the Student Code of Conduct, apply to all students, including those who reside in the residence halls. The University also reserves the right to immediately remove from on-campus housing any student whose actions threaten the health, safety, and welfare of themselves or others in the University Community. Disciplinary procedures and sanctions are set forth in the Student Handbook, which is incorporated by reference into this License Agreement.

REGISTRATION
By signing this License Agreement, the Student represents and warrants that (a) he is, or will be, enrolled as a full-time student at the University or other designated educational institutions for the term of the License Agreement. Failure of the Student to register with the University by the end of the Add/Drop Period of each semester is considered a material breach of the License Agreement, which entitles the University, at its sole option, to terminate this License Agreement. Additionally, Students who fail to enroll must pay the entire amount due under the License Agreement, except as provided under the Cancellation section of this License Agreement.

UNIVERSITY POLICIES
The University may, in its sole discretion:
1. Require the Student to move to another room in order to vacate a building, suite, or room for or other reasons as decided by the University;

3. Exercise such emergency procedures as it deems necessary and/or appropriate; and
4. Inspect all rooms for purposes including, but not limited to, inventory, maintenance, safety, and health factors. The University reserves the right to conduct such inspections in the presence of the Student, whenever possible and/or appropriate.

The Student may seek to cancel this License Agreement only under exceptional circumstances and for compelling reasons as determined by the University in its sole discretion. Reasons for cancellation such as roommate conflicts, noise, or dislike of the food are not considered exceptional or compelling reasons for release. These issues can be addressed without canceling the contract via staff mediation or a room change. Decisions will be made on a case-by-case basis. A Student whose request for cancellation of the License Agreement is not approved by the Director of Housing and Residence Life may appeal the decision to the Vice President for Student Services or his/her designee. The decision of the Vice President for Student Services or his/her designee is final.
